Guidelines for Describing the Notification to Revoke the Consent to the Publication

1. About the “Notification to Revoke the Consent to the Publication”

This notification is used when the representative or administrator of an association or the like without juridical personality which was designated a Corporate Number revokes the consent to the publication of the i) trade name or name, ii) address of the head office or principle place of business and iii) Corporate Number (hereinafter referred to as “the Basic 3 Information”), in accordance with the provisions of the Act on the Use of Numbers to Identify a Specific Individual in the Administrative Procedure. Please submit it to the Commissioner of the National Tax Agency.

2. How to fill in

- (1) In “Corporate number,” describe the Corporate Number (13 digits) of the association or the like without juridical personality submitting this notification.
- (2) In “Trade name or name,” describe the trade name or name of the association or the like without juridical personality submitting this notification.
- (3) In “Address of the head office or principle place of business,” check the box of either “In Japan” or “Outside Japan” regarding the address of the head office or principle place of business of the association or the like without juridical personality submitting this notification, and describe the said address and telephone number.
- (4) In “Address of the office or business office in Japan,” describe the address and telephone number of the office or business office in Japan if there is no head office or principle place of business in Japan (i.e. the box “Outside Japan” is checked in (3) above).
If there is more than one office or business office in Japan, describe the address and telephone number of the principle one.
- (5) In “Name of representative or administrator,” the representative or administrator of the association or the like without juridical personality describes his/her name and affixes a seal.
If there is no head office or principle place of business in Japan (i.e. the box “Outside Japan” is checked in (3) above), the representative or administrator of the office or business office mentioned in (4) above describes his/her name and affixes a seal.
- (6) In “Matters for reference,” describe if there is any other matter or the like for reference.

3. Matters to be noted

When the representative or administrator of an association or the like without juridical personality revokes the consent to the publication, the Basic 3 Information of the said association or the like without juridical personality will be stopped being published on the National Tax Agency’s Corporate Number Publication Site (Japanese version).

Read the followings carefully regarding the consent to the publication of the Basic 3 Information and the revocation of the consent:

- The National Tax Agency’s Corporate Number Publication Site (Japanese version) offers a function to download each corporation’s information, as well as a function to search and browse it. The Basic 3 Information provided through these two functions is renewed in different timings. (i.e. the search and browse function is renewed from time to time, while the download function is renewed periodically). Consequently, if the “Notification to Revoke the Consent to the Publication” is submitted and the Basic 3 Information can no longer be browsed, the Basic 3 Information will temporarily remain in the data for downloading until the next renewal.
- It is virtually impossible to completely block the distribution of the published information once it is published, even if the “Notification to Revoke the Consent to the Publication” is submitted and the publication is stopped. This is because the Basic 3 Information is widely used by the general public after being published on the National Tax Agency’s Corporate Number Publication Site (Japanese version).

- In accordance with the provisions of the Act on the Use of Numbers to Identify a Specific Individual in the Administrative Procedure, the heads of administrative organs or the like can request the Commissioner of the National Tax Agency to provide the Basic 3 Information. Therefore, there are some cases where the Basic 3 Information is provided to the heads of administrative organs without consent from corporations.

Note that each administrative organ carefully handles the provided information on which a confidentiality obligation is imposed.
